

ADS Scrap Trap Information For 2024

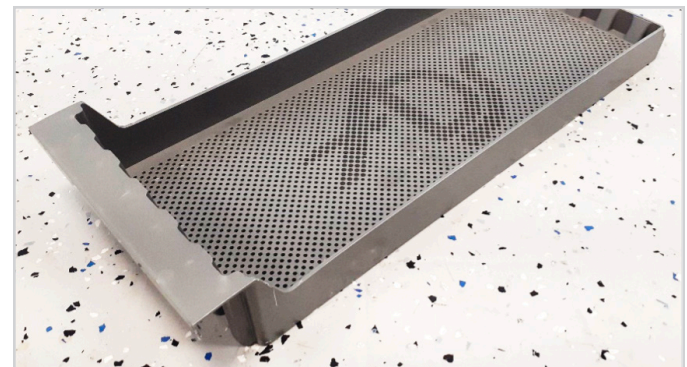

Showing typical box, tray and cover together for L90 3DWS

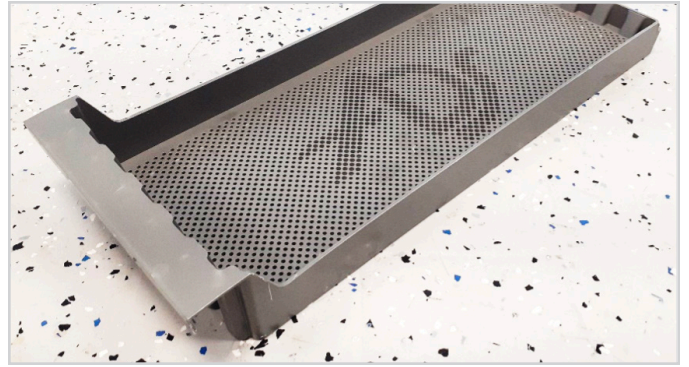

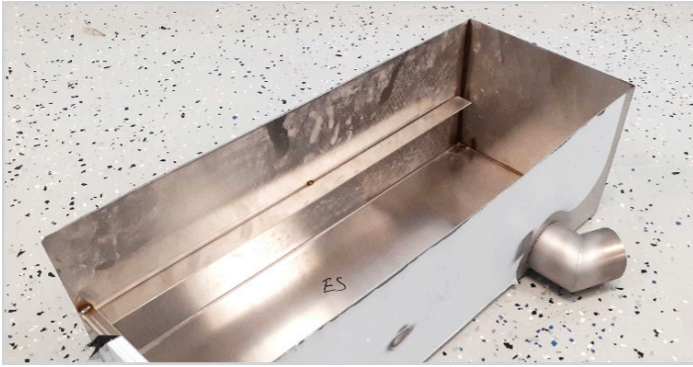

As of January 1, 2024, the scrap box, tray, and cover will be changed on the following five models: AF-3DS, AFB, AFES, L90 3DWS, AWS family models. This change is part of the ADS plan for reduction of multiple versions and to simplify manufacturing. The new poly scrap tray will fit any of these five models. For models manufactured prior to 2024, these new scrap boxes, trays and covers can replace the original boxes in the five machine frames. This change does not include double rack models, HT or conveyors.
